// Collaborative Academic Program Design

FEV Tutor believes that strategic partnerships are the common denominator for successful initiatives. This principle is central to our program model to help districts reach goals and drive key learning initiatives. We've found that our collaborative approach ensures that partners have unparalleled support across planning and implementation, buy-in and usage, and analysis and growth. We work closely with educators to design an effective program that allows for rapid deployment. This approach empowers teachers to activate scalable, data-driven support services quickly and easily.
